BRIEF ABSTRACT OF LETTER.

States that the proposed arrangement of allowing Shanbogs and Patels to sell quinine to the public could be a very useful procedure, if carefully carried out.

NOTES AND ORDERS.

The above is in response to this Office Comm^r No 9 6428 dated the 22nd June 1904, referring to the Senior Surgeon for report, subject No 93 of D. H. A. Progs of 1903, in which it was proposed to

Serial No.

to give Shanbags and Patels a sufficient supply of Quinine for sale to the public.

Till the year 1901, the Quinine powders and certain other powders for intestinal disorders used to be sold to the public in the State by the officials of the Revenue, Police and Education Depts, the rules on the subject having been sanctioned by Govt in their Notifn No 6616 mis 12 41 dated the 8th Decr 1896.

Flag T(1)

On a refce from the Residency in July, 1900, the then Senior Surgeon (Lt Col. P. H. Benson) reported that the scheme adopted proved a failure, inasmuch as the realizations by the sale of Quinine were very poor, and recommended the handing over of the work to the British Postal Authorities.

We

Serial No.

He ascribed two reasons for the ~~failure~~ poor results.

1st. The agency employed in the sale and distribution of powders was one that had quite enough work to do without having any more thrust upon it, and

2nd. There were so many Local Fund Dispensaries throughout the Province viz one in every Taluk and often two, where quinine was given gratis to all who asked for it, so that there was no necessity for them to buy it.

Thereupon, Govt Concurred in the views expressed by the Senior Surgeon, and agreed to the British Postal authorities undertaking the sale of quinine in the State. Accordingly, the Madras Govt passed orders on the subject in their order Nos 296 & 296 A dated the 8th April
